

Hamann BMW X6 M Tycoon EVO Brutal Sound [Video]

02/05/2012 12:32 by admin

There are some cars out there that just give you the impression that they came from the depths of the earth to steel your soul when they rev at the lights. One of these is the Hamann Tycoon EVO, a heavily modified version of the BMW X6 M and its twin-turbocharged 4.4-liter V8. The car was recently filmed on the streets of Monaco by Jorrie2. Thanks ...
