

Blue-Green Chameleon Wrap on Mercedes E-Class

02/05/2012 12:32 by admin

State officials usually go for black when buying Mercedes E-Classes, airport taxis for yellow and company middle-management for silver. Despite the lack of dynamic feel or an engaging drive, the E-Class has always been a sort of yardstick in terms of quality. But there are still those who buy it just because they like it (especially the badge), and usually this choice goes hand in hand with the color white. We're not huge fans o... [...]
