

Matte Black Mercedes S-Class and CLS by Wald International [Videos]

02/05/2012 12:32 by admin

Japanese tuner Wald International has modified and wrapped both a Merc S-Class and a CLS in matte vinyl and has released a couple of videos to showcase their work. Both cars get a full-body matte-black vinyl wrap, with the S-Class getting 22-inch matte black Renovatio rims and the CLS getting 20-inch P21C Portfolio II rims which are also matte black but with silver accents. The luxurious S-Class also benefits from a tuning package called ... [...]
