

Bentley Continental GTC Kit by Imperium

03/05/2012 17:48 by admin

Imperium Automotive have already announced a full body kit for the facelifted Continental GT coupe, and so converting it to the GTC was simply a matter of... photoshop add-ons to some original Bentley photos. Yes, that's what you're actually looking at, and here they all are. But let's forget about that for a s... [...]
