

Kahn Teases More Aggressive RS250 Range Rover Evoque Tune

03/05/2012 22:49 by admin

In its never ending quest to satisfy the need for personalization, British design house Afzal Kahn is preparing one more tuning package for the Range Rover Evoque named the RS250, which has been teased in the above rendering ahead of its debut in July. The Stage 1 RS250 kit promises to adorn Land Rover's premium compact crossover with a more aggressive look thanks to a comprehensive styling package.[...]
