

Roush Stage 3 Mustang Special Edition

04/05/2012 00:50 by admin

Ford and Roush have joined forces one more time and have developed a one-off Stage 3 Mustang that will put on auction May 16th, as part of the SAE Foundation's 25th Anniversary Celebration. All the proceeds will go to SAE and will help to promote and support foundation's math and science education programs. The car will be painted in custom silver and will feature a pretty impressive Roush body kit. It will include a hood scoop, a new grille with RS3 badge, a Ford Laguna Seca Boss front chin splitter, a rear decklid spoiler and valance and dual chamber exhaust tips. This impressive body kit will be combined with lots of painted graphics and the signature of Edsel Ford II, Bill Ford Jr. and Jack Roush. For the interior Roush will add Recaro seats, a Ford Laguna Seca X Brace, illuminated door sill plates, a Roush gauge cluster and billet pedals.[...]
