

Gemballa Porsche Panamera Mistrale in Action [Video]

07/05/2012 15:48 by admin

If there ever was a single gear in our head that had a soft spot for the Porsche Panamera, it's rusted away thanks to the Gemballa Mistrale. This tuned four-door saloon sounds brilliant, but replacing the factory taillights with a bunch of circles have killed all the modern aspects of the design. This car was filmed by supercar Spotter Alex Smolik in the streets of Monaco, during 2012 Top Marques. We know Gemballa CEO Andreas Sc... [...]
