

Oakley Design RWD Lamborghini Aventador: LP 760-2 [Photo Gallery]

07/05/2012 20:51 by admin

Oakley Design used the Auto Italia Brooklands 2012 event to bring the world the second tuning package for the Lamborghini Aventador (the first was the one released by Mansory at the Geneva Motor Show in March). The tuner brought a complex modification package, with the list be... [...]
