

## Superchips Tunes Nissan Qashqai 1.5 DCi

09/05/2012 19:17 by admin

As the Nissan Qashqai is one of Europe's favorite cars, it comes as no surprise to us that a mainstream ECU optimizer like Superchips has targeted it. The British Aftermarket ECU remap providers now offer an upgrade for the 110PS Nissan Qashqai 1.5 DCi engine which supposedly doesn't decrease the economy or the drivability. The n Superchips's 'Plug-in and Go' DIY programming boosts the powe... [...]
