Inspired by its race-prepped Ferrari 458 Italias, Evolution 2 Motorsport (E2M) thought it would give the road-going model a go with the presentation of its "Emozione" tuning program. The Ferrari 458 Italia Emozione is finished in a two-tone blue and silver paintwork and features a new front splitter, mirror caps, chrome look air duct mesh and trim, a rear spoiler, a double rear lower diffuser at the back, and custom made 21-inch alloy wheels. In addition, the engine bay is trimmed in carbon fiber.[...]
