

The King of Kitsch - Leopard Wrapped Lamborghini in Japan

10/05/2012 15:26 by admin

Tuning one's car and changing its look is a matter of personal taste and preferences. But we're sure that whoever decided to wrap a wonderful Lamborghini Murcielago LP640 in leopard-print vinyl wrap has a distinct lack of taste - if the owner wasn't seeing spots before, he's got plenty to look at now. We here at autoevolution consider that tuning has to be done tastefully, or it shouldn't ... [...]
