

Dodge Challenger SRT8 Infused with Matte Black [Photo Gallery]

11/05/2012 15:40 by admin

Dusold Designs, a Texan tuner has customized the 2012 Dodge Challenger SRT8 with a widebody look and a matte black paintjob. The owner of this car must really like standing out, but this sure is a cool looking machine. The interior has been customized too, with white leather and black stitching for contrast. This gives the car a bit of contrast, and we're fans of those plush seats and white dash. Cus... [...]
