

Lamborghini Gallardo Toro by DMC

14/05/2012 15:51 by admin

German tuning firm DMC specializes in making some of the most well thought out kits for Italian exotics. We're talking about Lambos that would make your skin crawl in envy. Now though, they've targeted the Lamborghini Gallardo 560-4 in an effort to enhance the looks. The new package they've come up with adds extra power to the Raging Bull 5.2-liter V10 engine, together with more aggressive looks thanks to a c... [...]
