

## GSC Mercedes CLS63 AMG Stealth in Detail [Video]

14/05/2012 16:52 by admin

Up until the very moment when we saw this car, we thought that Mansory makes the best custom CLS63 AMG, but we were so very wrong. This creation is called the Stealth and it comes from a tuner called German Special Customs, or GSC in short. The body kit comprises of a new front apron, spoiler lip, blacked out grille, vented bonnet, flared wheel arches, side skirts and an insane diffuser at the back. To work the stealth bomber theme into th... [...]
