

Mercedes C 63 AMG T-Model by Edo Competition

15/05/2012 02:56 by admin

Who said that station wagon models aren't any fun? Edo Competition has released its newest tuning package that takes the Mercedes C63 AMG Station Wagon to new levels of awesome by increasing its output to a total of 600 HP. Top speed also gets a boost up to an impressive 211 mph. The package includes a new high-performance exhaust system, exhaust headers, high-flow catalytic converters, new air filters, revised engine electronics, and a removal of the top speed governor. As a result, the engine will deliver a total of 600 HP and 501 lbs-ft of torque. Next to the modifications made to the engine, the tuner also added a high-performance exhaust system made entirely from stainless steel.[...]
