

Chevy Camaro Panther 600 by SLP

15/05/2012 20:01 by admin

The Camaro is already a menacing looking brute and there are so many tuning packs around which make it even more menacing, that you're spoiled for choice. SLP is a familiar name in the Camaro tuning business and their Panther is a fine offering. The 'Panther' name has some history behind it as it was the name originally given to the 'Camaro' back in 1965. There will be four power versions ... [...]
