

BMW X5 xDrive30d Subtly Modded by Afzal Kahn

16/05/2012 00:04 by admin

Proving that its business not only caters to the needs of Land Rover and Range Rover owners but also of other makes, Afzal Kahn rolled out a new customizing package for the BMW X5 xDrive30d crossover. On the outside, the UK tuner's upgrades are limited to the chunky 22-inch RSL alloy wheels in a Silver Palladium finish that hide new brake calipers in Liquid Red, the tinted windows and new logos on the tailgate.[...]
