

Kahn Touches BMW X5

16/05/2012 14:10 by admin

We've recently paid a visit to British tuner Kahn and while we were there, we saw Afzal Kahn, the company's founder, drive a lightly-modded BMW X5 that we hadn't heard about before. Well, not Kahn is releasing the full details and photos of the development. Like Afzal told us, Kahn wants to keep the British brands at its core an... [...]
