

Mansory Porsche Panamera Turbo Is Something Else! [Video]

16/05/2012 17:12 by admin

There is one place in the world where the Porsche Panamera Turbo isn't a ridiculously big sedan and that is America, where this tuned version was spotted. It's built by Mansory, who used to be an ex-British exclusive tuner but has since tuned into a maker of high quality part for a number of cars. The Tuner has developed a heavy set of technical and cosmetic changes for the Panamera Turbo, which is powered by a 4.8-lit... [...]
