

Lamborghini Gallardo Gets Chrome Wrap

18/05/2012 11:31 by admin

The debate about the perfect color for a Lamborghini has been going on forever and the world just doesn't seem to be able to come to a conclusion. Sure, Verde Itacha holds a top place, but there will be some people who want other colors. Well, it seems that one American Gallardo owner thinks he's found a solution: a chrome wrap. The adjacent image shows us a Gallardo Spyder that has received a full chrome wrap and can ... [...]
