

VW Up Rides on 17-inch Tomason Wheels

18/05/2012 17:33 by admin

The VW Up is a mystery to us when it comes to the tuning world's point of view: this car has a solid technical base and a quality interior, but lacks any trace of fun, which would make it the perfect starting point for any tuner that wants to showcase its potential. However, the German city car hasn't received too many tuning proposals so far. Fortunately, we've come across a pair of images that show the Up ... [...]
