

Lamborghini Aventador Estatura GXX Limited Edition by German Special Customs [Photo Gallery]

21/05/2012 15:34 by admin

German Special Customs (GSC) is trying its hand at tuning the Lamborghini Aventador, with the company releasing two packages for the Italian supercar - the tuning company has only released sketches of the development so far. We'll dedicate this piece of news to the first one, the Aventador Estatura GXX. The V12 monster's appearance has been brought close to that of the Lamborghini Gallardo Superleggera, with the tuner ... [...]
