

## German Design Studio to Turn Audi Q7 into a Coachbuilt Bentley SUV

21/05/2012 18:35 by admin

While a tad over simplistic, one could say that, the tuning industry seems to have finally caught up with the Volkswagen Group's penchant for parts and platform sharing. For those that do not want to wait for the production Bentley EXP 9 F SUV, German design studio Atelier Valdeig has collaborated with Armortech Motors to create a coachbuilt version of the current generation Audi Q7 offering buyers a choice of Bentley-inspired fascias and rear end styling. The SUV is called the Tresor, which the company says is French for "treasure" and German for "safe" or "strong room".[...]
