This is a piece of German tuning for an American car, with O.CT-Tuning supercharging the Chevrolet Camaro SS and offering it the Yellow Steam Hammer designation. The starting point for the project was a 2012 Camaro SS (the European market version), with the 6.2-liter V8 ditching the natural aspiration in favor of a supercharger kit that boosts power to 630 hp and torque to 538 lb-ft (730 Nm). The vehicle also re... [...]
