

## RBD LA Mercedes C63 AMG Widebody Build [Photo Gallery]

23/05/2012 20:54 by admin

R Dream Body Collision & Car Customization Center, or RBD LA for short, have taken us behind the scenes of a custom build that turned the regular C63 AMG into a real widebody monster. They've widened the bumper, extended the arches, doors and fenders to make the car look more like the limited Black Edition, which coincidentally isn't widely available in the States yet. The car actually ... [...]
