The Ferrari 458 Italia might be the V8 Prancing Horse of the moment, but its predecessor, the F430, looks as fresh as it did when it was released. Thus, tuning companies are still paying attention to the F430 and we're here to give you the latest example of that. US custom rim specialist D2Forged has recently released a set of photos showing an F430 dressed in a crazy color and wearing a set of its goodies, with the car looking ... [...]
