

ABT Sportsline Tunes Audi A7 Sportback

28/05/2012 12:39 by admin

ABT is the biggest tuner of Volkswagen Group cars, and they even run Audi touring cars in DTM. They are more famous for their small car kit, like the ones for the Golf or the Audi, but the German tuners offer a complete lineup that now also covers the Audi A7 Sportback. A full body kit has been made available, comprising of front and rear bumpers, side skirts and a set of quad tail pipes that are integrated into the lower valance. ABT is ... [...]
