

Yellow Twin Turbo Gallardo Superleggera on HRE Wheels

28/05/2012 12:39 by admin

HRE wheels just released three photos from Underground Racing of this yellow Gallardo Superleggera on a set of all-new HRE P44SC finished in gloss black. There are a number of Superleggera to Underground Racing's name, since just about everybody who wants them tuned goes to the Texans, but this car rides on a different set of wheels. This Gallardo is the sort of car built for people who have everything! ... [...]
