

Matte Black Twin Turbo Gallardo on HRE Wheels [Photo Gallery]

28/05/2012 13:39 by admin

Underground Racing has build a dozen or so of the most insane Gallardos on the planet, cars with two turbo that combined with the factory fitted V10 engine deliver over 1000 horsepower and the best straight line performance on the planet. This 2009 Lamborghini Gallardo LP560 twin turbo monster is dubbed “Peak” and besides the matte black paintjob, it also features another custom exterior fitting - a set of HRE wheels t... [...]
