

Hamann memoR McLaren MP4-12C: New Images Released [Photo Gallery]

28/05/2012 13:39 by admin

The Hamman memoR tuning package for the McLaren MP4-12C was introduced back in March at the 2012 Geneva Motor Show and now the company is offering us more images of its creation. Hamann still hasn't mentioned anything about an engine upgrade, which means that, at least... [...]
