

BMW F30 3-Series with 1M Bumper from LTBMW

28/05/2012 16:40 by admin

On the Flickr page of HRE Wheels, we recently stumbled upon a couple of photos of a new project belonging to a fellow California customizer. This F30 3-Series project belongs to LTBMW, who have yet to announce the final details of the car, but have created a very note-worthy look for the German saloon. The F30 is a bran new car from BMW,... [...]
