PUR Wheels wanted to showcase its 1NE rims and found a perfect display for these: a Maserati GranCabrio Sport. The Italian topless ride received some aftermarket attention and now it is ready for yours. The wheel specialist joined forces with SR Auto Group, who made sure the rest of the car shines just as much as the rims, even though not literally. Thus, the GranCabrio was gifted with a black matte finish, as well as with glossy black de... [...]
