

## Mercedes-Benz CLS Tuned by Vitt Performance [Photo Gallery]

29/05/2012 18:50 by admin

We have to tell you from the beginning that we are going to talk about a piece of exterior tuning coming from Japan, so expect to see bits and pieces that might not suit everybody's taste. Getting to the point, we'll show you what Japanese aftermarket developer Vitt Performance can do for the second-generation Mercedes CLS. The four-door coupe was gifted with a wide body kit, which includes a front bumper with generous... [...]
