

Lamborghini Gallardo Gets ADV.1 Track Spec Wheels [Photo Gallery]

30/05/2012 12:56 by admin

The Lamborghini Gallardo is one of the most popular supercars on the road and also one of the most loved children of the tuning world. Thus, despite the fact that the vehicle has been on the market for around a decade (in multiple forms), aftermarket developers are still paying a lot of attention to it. The latest example of this comes from the US, where Advance One Wheels has gifted the V10-powered supercar with its goodies. Thus, the Ga... [...]
