

Heffener Twin Turbo Gallardo Build [Video] [Photo Gallery]

31/05/2012 19:07 by admin

You might think that Underground Racing have cornered the market on twin-turbo Gallardos since they've build tens of them already, but that's not you're only option for forced induction Italian bulls. Heffner Performance also has experience with this hardcore tuning job, and now they've detailed an LP560 build for an owner called Joe Z. The tuner explains that Joe picked up this Verde Ithaca LP560 w... [...]
