

Russia's TopCar Makes a...Lemon out of the Porsche Cayenne SUV

01/06/2012 01:08 by admin

Naming a car a "Lemon" may not be such a bad thing in Russia, but in English-speaking countries, the term is commonly used to describe a new vehicle that is found to be defective? Nevertheless, that's the name Russian tuning firm TopCar chose for its latest project based on the new Porsche Cayenne SUV.[...]
