

## Mercedes C63 AMG Black Series Becomes Vath V63 Supercharged

01/06/2012 15:12 by admin

The Mercedes C63 AMG Black Series is already an extreme machine, but German tuner Vath considered that there's room for more horses under the car's hood, so it released a performance kit for it. Dubbed V63 Supercharged, the pack converts the 6.2-liter V8 unit to forced induction, with the unit now releasing 756 hp and a peak torque of 800 Nm. The supercharger included in the pack is accompanied by a stainless steel exha... [...]
