The C6 Covervette with Lingenfelter twin-turbo monster power was there and in style for the start of the 2012 Gumball 3000 road rally in New York. The crew at Superior Auto Design put this awesome matte red wrap on the car was also there, enjoying a day off, away from their work and doing a bit of meet and great by the side of the 'Vette. "So many of the drivers are from Europe and the Middle East and it was time to re... [...]
