What combines pink parts with a twin-turbo setup? We know, there's no standard answer for this, as we are talking about a custom ride that comes with one important particularity: it is destined for a girl. It all starts with a 1991 Dodge Stealth R/T Twin Turbo, which belonged to the owner's dad. Her boyfriend wanted to surprise her and decided to bring the car, which had been sitting in the garage, having parted ways w... [...]
