

Ford Thunderbird on Forgiato Wheels

05/06/2012 16:57 by admin

We've always had a bit of a soft spot for the modern-day Ford Thunderbird and we were very disappointed to see that the vehicle was far from being a commercial success. However, it looks like we're not the only ones that like the T-bird - the tuning world also does. We are here to show you one of the latest developments of US aftermarket developer Forgiato Wheels, which has been out playing with a Ford Thunderbird Conv... [...]
