

German Special Customs Cooks Up a 740hp Mercedes-Benz CLS 63 AMG

05/06/2012 18:57 by admin

Regardless of how much power Mercedes-Benz's AMG performance division gifts its models, there will always be customers wanting more horses under the hood and a tuner willing to supply the need. Like German Special Customs (GSC), which has introduced a new performance and styling package for the latest Mercedes-Benz CLS63 AMG.[...]
