

Vorsteiner Previews New Ferrari 458 Italia Styling Collection

06/06/2012 12:02 by admin

Vorsteiner has unveiled a new aero kit dedicated to the Ferrari 458 Italia, which has now been dubbed the 458-V. The car sits as low off the ground as its tires and looks more radical than ever before. To enhance the look of the car without changing too much, the tuner has added a new front lip spoiler with a small blade in the middle, a new set of side skirts and rear diffuser with a racing look. Vorstei... [...]
