

Black Knight Hummer H2 Tune will Leave You Flabbergasted

07/06/2012 02:08 by admin

Let's face it; the Hummer crowd has and never will be subtle with its tuning choices but there are some builds that always manage to stand out more than others - in a "sore thumb" kind of way? As you will soon find out, there's too much to mention about the Black Knight Hummer H2, but we'll just note the Lamborghini-style scissor front and rear doors, the decorative (?) machine guns, axes and swords (yes, all in plural) and more LEDs than a Christmas tree at a KISS concert.[...]
