

Lexus IS-F CCS-R Racer Ready for Pikes Peak 2012 [Photo Gallery]

07/06/2012 13:41 by admin

Lexus is getting ready for this year's edition of the Pikes Peak International Hill Climb, with the carmaker now presenting its gladiator for the event. We are talking about the IS F CCS-R racer, a vehicle that comes with a list of modifications the size of Japan, all aimed to help it reach the clouds faster. 2012 is an important year in the history of the famous Hill Climb event, as the entire course is now covered in tarmac, w...
