

Heico Sportiv Previews Volvo V40 Tuning Kit Again

07/06/2012 15:42 by admin

Back in May, Heico Sportiv released a sketch of an upcoming modification package for the Volvo V40 and now the tuner is back to tease us some more. However, this time we get actual images - one the reveals the front end and another one that brings us to the back of the car. While the... [...]
