

ADV.1 Wheels Lamborghini Gallardo Superleggera Photo Shoot [Photo Gallery]

07/06/2012 16:43 by admin

Where did the guys at Advance One Wheels find such a large stretch of tarmac in the middle of the mountains? We don't know the answer to this question, but we do know what they've manage to do with it. The US wheel specialist took a Gallardo Superleggera, the lightweight edition of the Italian supercar, which had been fitted with its goodies, to the location and is now offering us a delicious photo shoot. ...
