

## Awesome RR Ghost Interior by Carlex Design [Photo Gallery]

07/06/2012 16:43 by admin

The Rolls Royce Ghost is proving very popular with customers from China and due to its lower starting price is bringing more customers to the brand. In fact, you'd rarely see tuned Phantoms outside the rapper genre, but with the Ghost it's a different story. Polish aftermarket specialists Carlex Design have taken this four-door luxury mobile to the next level with an interior that features everything from musical notes... [...]
