

Maserati GranTurismo Gets Yacht-Themed Interior [Photo Gallery]

07/06/2012 19:43 by admin

Some people say that Maserati got the design wrong when they put the GranTurismo coupe into production. Sure, the M3 is better dynamically and cheaper as well, but the Italian coupe has character. We're not talking about the sort of character people who like drifting and big gold watches enjoy. We're talking about the kind that people who own a yacht will appreciate. And what do you know, the... [...]
