

Polish Tuner Creates Steampunk Inspired MINI Countryman

08/06/2012 21:22 by admin

Sure, there are more tuning propositions for the Mini Countryman out there than we care to count, but how many of those really stand out? Love it loathe it, one thing is for sure: you cannot ignore Polish tuning firm Carlex Design's Mini Countryman Steampunk project. As the name and the appearance of the car clearly suggests, this Countryman has been designed in an authentic Steampunk fashion.[...]
