

Misha Design Mercedes CLS and SL [Video] [Photo Gallery]

20/06/2012 08:46 by admin

US tuner Misha Design has released their first official video, detailing two of the coolest widebody Mercedes conversions we've seen in a long time, the ones they did for the Mercedes Benz CLS and the SL roadster. Both cars have received bespoke bumpers, wheel arch extensions and door sills, together with a diffuser tail with integrated exhausts. Misha Designs SL-M wide body kit can be installed on any...
